Dear Carolyn

**RE: Endorsement of Noise and Vibration Management Plan, Sydney Metro
Southwest - Hurlstone Park, Belmore and Wiley Park Station Upgrades**

Thank you for providing the following document for Environmental Representative (ER) review and endorsement as required by the Condition of Approval A26 (d) of the Sydney Metro Sydenham to Bankstown Infrastructure Approval ((CSSI 8256, 12 December 2019) and Mod 1 (CSSI8256, 22 October 2020).

- Noise and Vibration Management Plan – Southwest Metro – Hurlstone Park, Belmore and Wiley Park Station Upgrades, Rev 08.2 dated 23 May 2023 (Ref: SWM-HBW-NVMP-001) (the NVMP) as required by Conditions C3 and C8 of the Infrastructure Approval.

As an approved ER for the project, I have reviewed and provided comments on this document and the minor changes proposed.

The administrative change to this document was to update Downer EDI to DT Infrastructure, following the acquisition of the Downer Infrastructure branch by Gamuda Australia.

Accordingly, I approve the minor amendments of the Plan for implementation under Condition A26 (i).

Yours sincerely

Brett McLennan
Environmental Representative – Sydney Metro City and Southwest
