1 LEGAL DISCLAIMER

DT Infrastructure (DTI or the Company) welcomes you to our website. If you elect to continue to browse and use this website, you are considered to have accepted these terms and conditions contained in this document.

The information contained on our website is for information purposes only. Whilst DT Infrastructure has made all reasonable efforts to ensure the correctness on the content and information on the website, we make no representations or warranty (express or implied) of any nature as to the accuracy, completeness suitability and reliability of the information contained on the website and the information shared through this website.

This website remains the exclusive property of DT Infrastructure, and as such we may update this information and the content of our website any time without notice to users.

2 PARENT COMPANY POLICIES AND DOCUMENTS

DT Infrastructure is a fully owned subsidiary of its parent company Gamuda Berhad, which is a listed company registered in Malaysia. To the extent that DTI is in anyway impacted by any legislation impacting Gamuda Berhad, please be guided by its policies which is available on this link: [Corporate Governance | Gamuda Berhad](#).

3 LIMITATION OF LIABILITY

Any and all information supplied to any user or person accessing this website is provided on a “as is” basis. DT Infrastructure is not legally responsible for any loss or damage that may be suffered in relation to the use of this website. The user elects to use this website at its own risk and relies on any information or content contained on this website at its own risk, for which DTI shall not be liable.

Its shall be the user’s own responsibility to ensure any products, services or information provided on this website meet your specific requirements and expectations. As such, you acknowledge that information on this website may contain errors and omissions and DTI is excluded to the fullest extent permitted at law for any liability.

4 INTELLECTUAL PROPERTY

DT Infrastructure owns the copyright of all information contained on this site. Any images, logos and other works found on this website are the intellectual property of DT Infrastructure. Any redistribution and reproduction of any part or all of the information is prohibited, except:

- ▶ Printing or downloading content or information for your personal and non-commercial use.

DT Infrastructure also has registered trademarks and logos that are used on this website which are registered intellectual property of DT Infrastructure.

Users of this website and the public at large must not:

- ▶ Use, copy, modify or reproduce any of the DT Infrastructure trademarks and logos without the written consent of DTI;
- ▶ Share or distribute any of the DT Infrastructure trademarks and logos without the written consent of DTI;
- ▶ sell or commercially exploit any of the DT Infrastructure trademarks and logos. DTI shall not and does not give consent for the sale of its trademarks and logos.

5 CORPORATE GOVERNANCE

DT Infrastructure is a registered proprietary limited in accordance with the Corporations Act 2001 (the Act). DTI is accordingly governed in compliance with the Act and has a validly concluded Constitution in place. DTI works to apply good corporate governance practises within our organisations and through our Board of directors, management and employees.

DTI has key policies in place within our organisation to ensure proper management and sharing of information and expectations.

6 CONSUMER LEGISLATION

To the extent that DT Infrastructure is required to comply with the Australian Consumer Law we shall do so and ensure adherence with our legal obligations relating thereto.

7 LINKS TO OTHER WEBSITES

DT Infrastructure may on its website have links to other websites, government bodies or regulators. This does not and is not intended to be construed as an endorsement, support or approval of such websites. They are provided for information and relevancy purposes.

As such DT Infrastructure takes no responsibility or liability for the content and information provided on such websites. The users use such link solely at their own risk.

8 COOKIES

To the extent that DT Infrastructure uses cookies on our website, we will inform you of such when you access our website and the user has the sole discretion to allow or modify the extent of the cookie record.

Cookies are a small file which will ask permission from the user to be placed on the computer. The file is added to the computer hard drive and the "cookie" assists the website owner to analyse traffic to the website.

The user has at its sole discretion the right to refuse cookies or to modify the usage of the cookies.

9 DATA SECURITY AND PRIVACY

DT Infrastructure will ensure all reasonable security measures are implemented within our organisation to ensure protection against unlawful and unauthorised access. DTI will endeavour to use the appropriate technical and available resources to ensure the continued protection of information provided to DTI.

Please access our Privacy policy for further details and information regarding our management and implementation of information security and privacy.

10 GENERAL PROVISIONS

This website is subject to the laws of Australia. If there is any dispute between yourself and DT Infrastructure that results in either party proceeding to court then you shall submit to the jurisdiction of the courts of Australia. To the extent that it is state specific, you shall submit to the jurisdiction of the courts of Queensland.

Any notice or proceeding to be served on DT Infrastructure shall be submitted as such to:

- ▶ DT Infrastructure Pty Ltd (ABN 39 665 782 730) of Level 2, 135 Coronation Drive, Milton, Queensland, 4064.
- ▶ Attention: Chief Executive Officer: Darren Crichton
- ▶ Copied to Head of Legal: Emillie Sweeper

This document represents the whole agreement regarding all matters covered and provided for in these website terms and conditions. No other terms are to be included unless specifically agreed to in writing between yourself and DT Infrastructure.

11 WEBSITE TERMS AND CONDITIONS CHANGES

DT Infrastructure may amend and alter the contents of this document from time to time. Kindly check our website to ensure you are always accessing the latest version of this document.
